

Rylo

Extraordinary light comfort

B&W law office, Ljubljana, Slovenia / Interior design: AKSL arhitekti / Visualisation: Studio Spacer

Private office, Germany / Visualisation: Studio Spacer

Private club, Dubai, UAE / Visualisation: Render Atelier

Private residence, Italy / Visualisation: Render Atelier

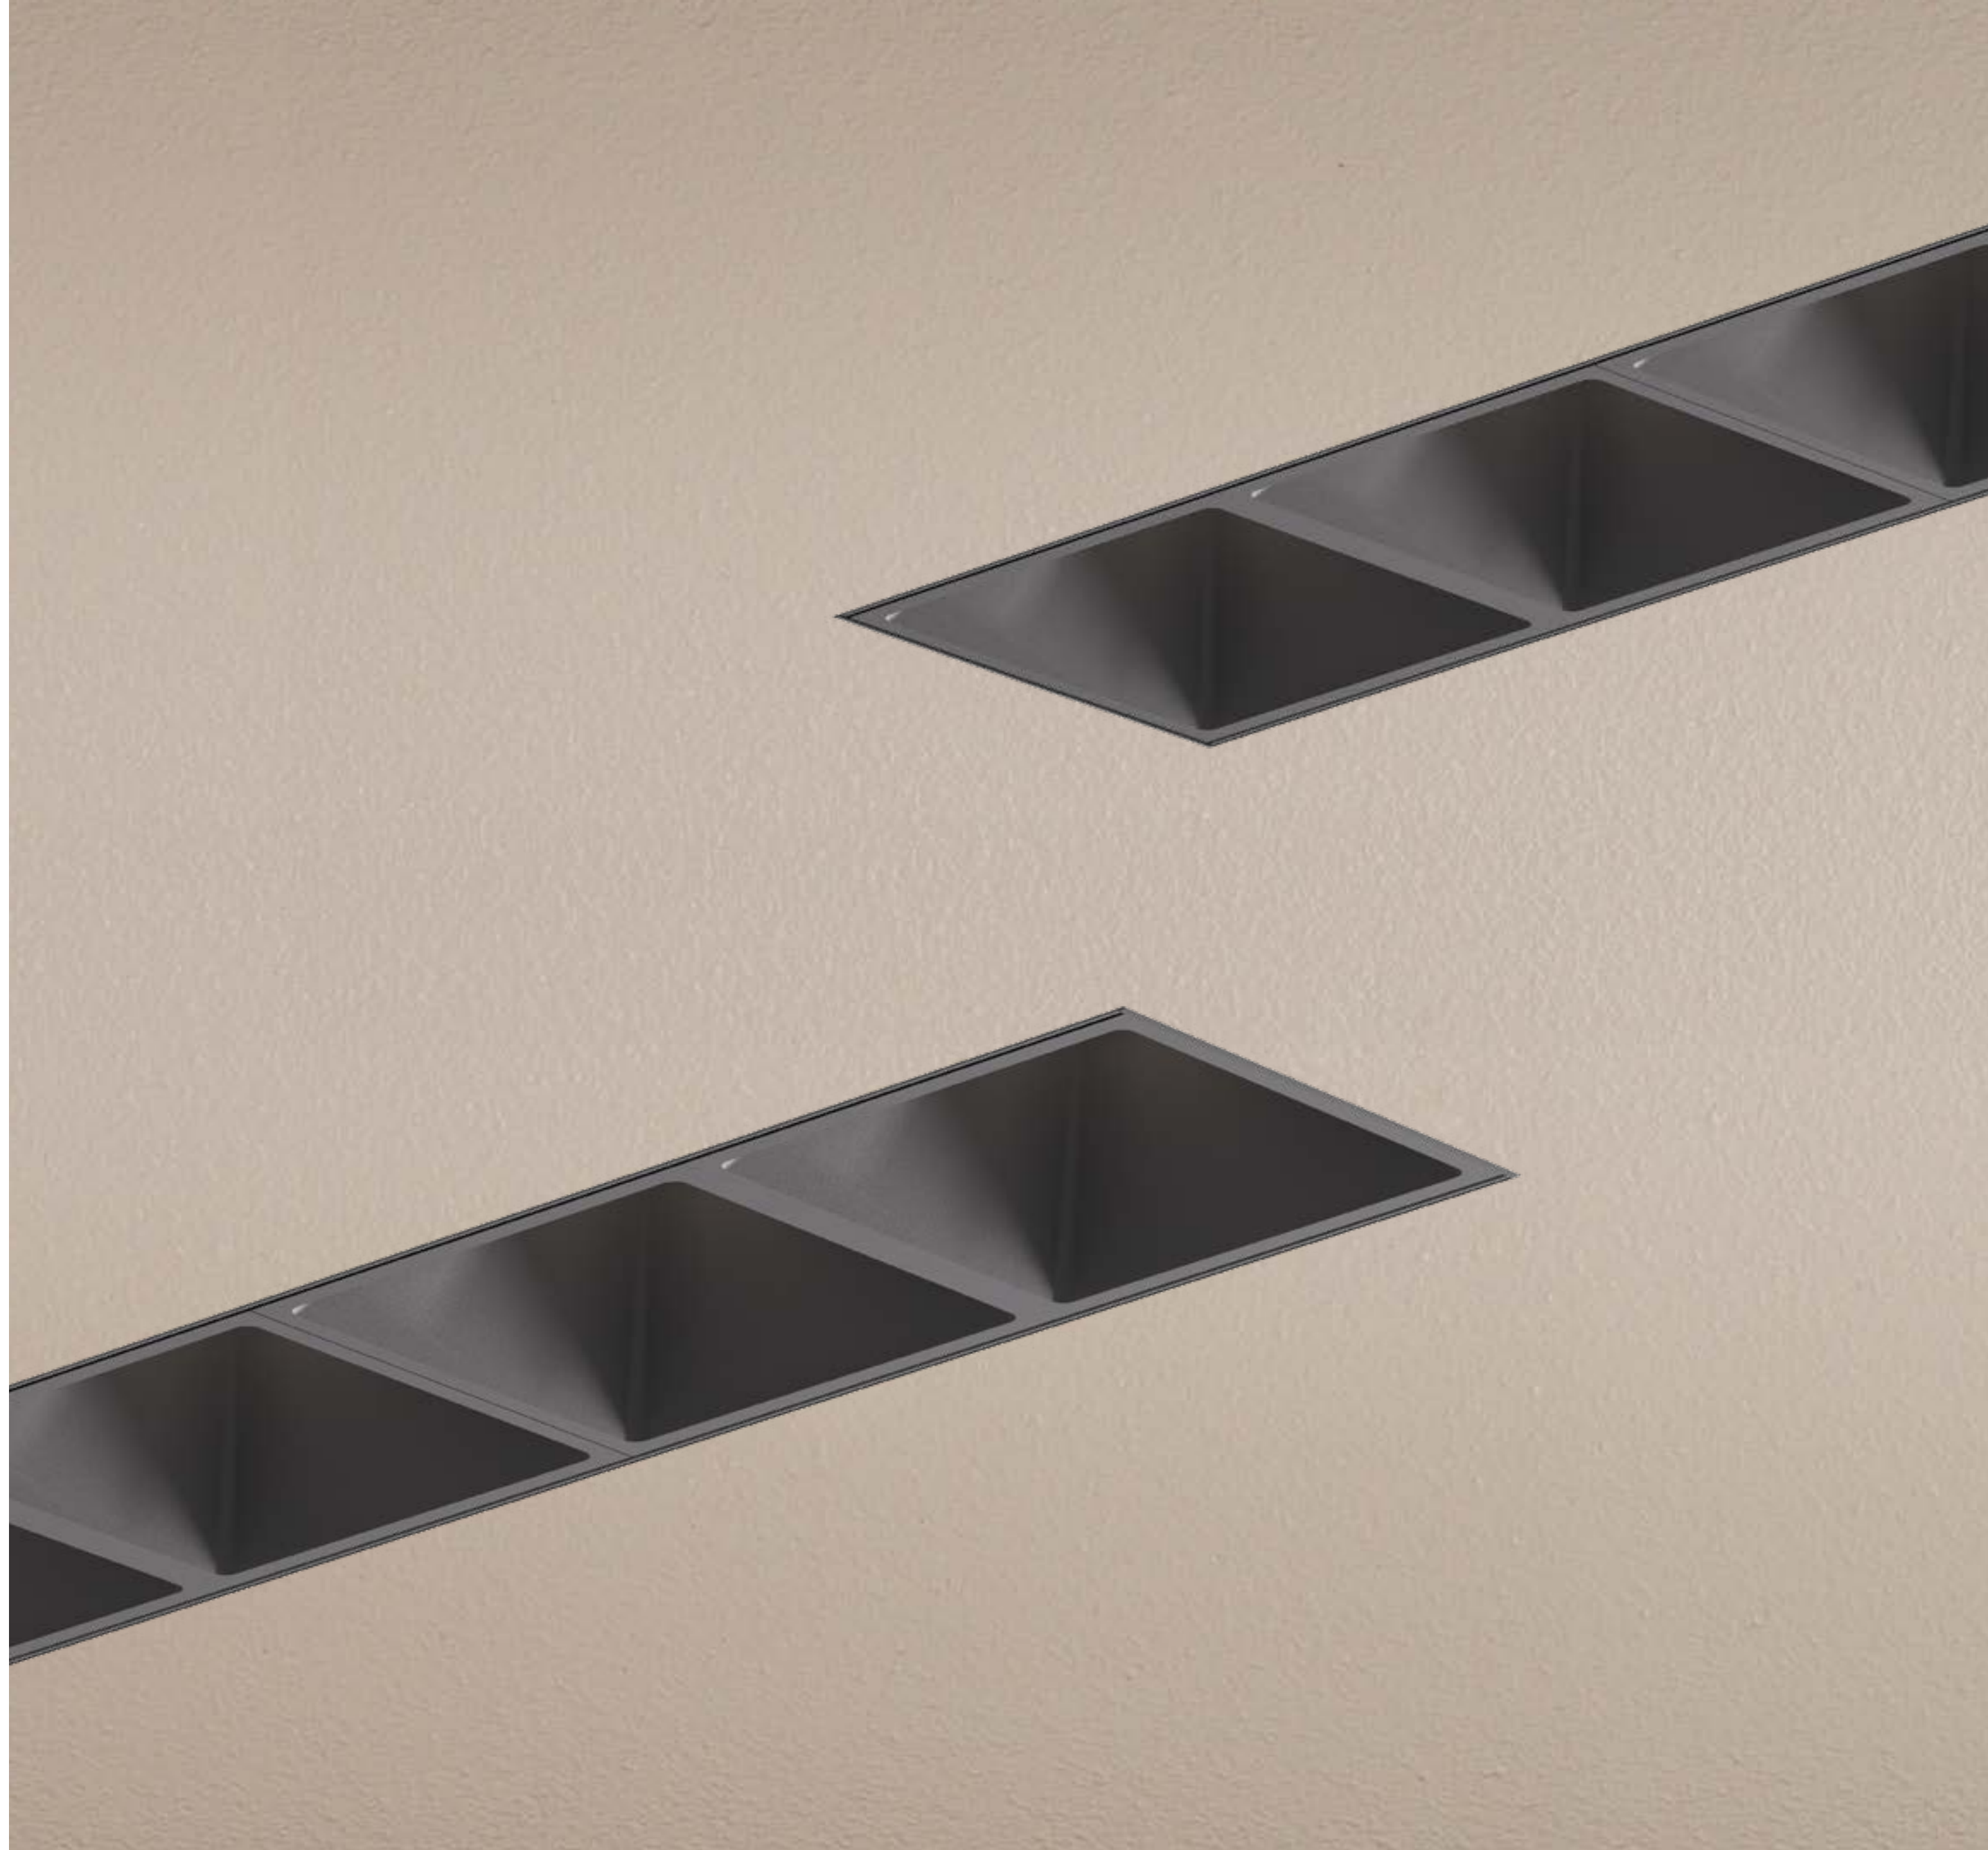

If you don't want to see where the light comes from, this is the solution

Rylo is not a common downlight. With its special optics it provides high visual comfort and generates circular light emission.

It doesn't show off. The light source is hidden and all you can see is pure light with absolutely no glare. It is universal, perfect for all spaces and projects.

DESIGN:

Intra lighting
